Dear Sir or Madam,

My name is Father Charles Mangano and I am the pastor of Curé of Ars Roman Catholic Church in Merrick, New York. Anthony Gentile, his wife Crystal and their wonderful children have been my parishioners since I came here nine years ago. Anthony and Crystal both have a deep love for the Church and a good understanding of all that the Church teaches. They adhere to Church teaching and their orthodoxy is refreshing. Of course, their knowledge is built on a foundation of Eucharistic prayerfulness.

Almost singlehandedly, Anthony formed the Curé of Ars Men's Group and has arranged to have speakers and/or presentations given at the meetings at which approximately 50 men regularly attend. Anthony has also presented certain topics at the meetings and has been highly praised for his knowledge of Church teaching and the ability to present information clearly and in an interesting way.

One thing that has always impressed me about Anthony is his ability to synthesize theological truths with the Magisterial teaching of the Church. He has a unique gift. He also speaks with love and passion for Christ and the Church. He has leadership qualities that have served the Church well. I'm happy that he is using his gifts where they will best serve God's Kingdom.

If you have any additional questions, please call me at 516-623-1400 or by e-mail at: FatherCharles@optonline.net.

Peace and blessings,

Father Charles Mangano
Pastor
